Dear Bob,

D. and I wish to express our thanks and great satisfaction for the fabulous remodel you did on our house.

The project from start to finish went smoothly and efficiently. It was such *a comfort to hire someone who is reliable, honest, thorough, precise and clean. Also, very personable.* My kids loved you!

You always had ideas on how to improve on the plans both aesthetically and functionally, yet at the same time being cost conscious.

We are greatly enjoying our new half of house and receive many compliments. We would highly recommend you to anyone seeking the same.

Thank you!!

Sincerely,
