

August 5, 1992

To Whom It May Concern:

Robert Youngs was our contractor in the summer of 1990. We had a 380 square foot Family Room Addition constructed.

Bob only hired competent, professional subcontractors.

The project was on time and on budget. The finished product was excellent. We are very happy with the results.

We would recommend Bob's remodel work to anyone.

Sincerely,

*R. & J. B.
